

FOR IMMEDIATE RELEASE

This Spring summer Jii collaborates with Rentique to create a collection full of bold blooming colors. Where some of the pieces will be available in Rentique's website to be rented.

Popping colors has always been a part of Jii's aesthetics, with youthful, feminine, fun spirit. Inspired by the spirit of one good friend, this season Jii presents their icon, the animal of this collection, "Didi the cheeky ostrich".

In this collection Jii imagines what to pack for the weekend getaway, the vitamin-sea, and the tropical party. The pieces come in mini dresses, maxi dresses, loose silhouette and jumpsuits. Offering a range of pieces versatile in sizes and ages.

To complete the looks for the show, models march the runway in laidback sandals, comfortable heels made by local talent from Envelogy.

With simple cuts on the garments and vibrant prints, another friend from Cleo Fashion Award 2013, Massicot supports Jii with their stylish accessories.
